Marble Magnets

Supplies

Flat Marbles
1.5" Circle Punch
Collage Glue
Foam Brush
Magnets, 3/4"
E6000 Glue
Paper or Pictures

Directions

1. Punch desired picture or paper with the circle punch.
 2. Cover front side of the paper with a thin layer of Collage Glue. Place on the flat side of the gem and press lightly to seal the paper to the glass. Let dry.
 3. Cover back side of picture with the Collage Glue to seal.
 4. Let dry completely.
 5. Use E6000 to glue magnet to back of glass gem. Allow to dry according to directions.
- Design Tip: Glue a flower to the back of the marble before gluing the magnet on the back.*
6. Attach to any metal surface and enjoy!
