Paper Covered Tin Star

Supplies

- Tin Star
- Small Print Paper
- Scissors
- Mod Podge
- Foam Brush

Directions

Begin by tracing the pattern on to the paper and cut. You can mix the prints, mix prints and solids, or stick with one pattern and color they will all be beautiful.

Next attach one paper at a time to the star using Mod Podge and a foam brush.

Repeat until complete.

Allow to dry thoroughly and hang!
